

Advanced Tarot Class: Expanding your intuition

with Jen Lee, RN, ARNP, Tarot Reader, Intuitive and Reiki Healing Master

This Advanced Tarot Class is open to new students who have some knowledge of Tarot and to returning students who have taken a basic Tarot Class. This is a one day intensive aimed at expanding your intuition and giving you all you need in order to read for yourself and others. You will have opportunities to read the cards using your intuitive gifts and increase your confidence with the Tarot. I work with each student helping them realize how they receive information and how to get out of the way and allow it to come through them!

If you would like to work on trusting your intuition, opening your third eye and seeing into the cards, or just how to understand the deeper meanings in Tarot, then call or email me today to sign up. Other topics to learn and discuss are integrity, reading with intent, reversed cards, exploring different spreads, creating a business, and removing judgment.

The investment is \$98. I just ask that only those who know the basics of Tarot sign up for this class. It is fun and neverending what you can learn using this tool to connect with your own intuitive gifts!

All you need is to show up with your Tarot cards! So email or call me today to sign up 253-549-8627

Stay open and available for Spirit to bring Heaven to Earth each day through you in amazing ways!
