

Numerology-The Secret of Numbers-a Telephone class
with Jen Lee, RN, ARNP, Spiritual Teacher, Intuitive and Reiki Healing Master
Dates: Three consecutive Wednesdays, Jan 27th, Feb 3rd and Feb 10th,
6 PM to 730 PM, PST by telephone conference call

Would you like to learn about your numerological personal year cycle for 2010? Each year we each go through a new personal life cycle influenced by the energy of numbers. This three week class helps you **understand your life and life purpose now** thru the wisdom of numbers. Everything in life can be reduced to a numeric vibration. Through the study of numbers, we can better understand ourselves and the energies, people, places and events in our lives.

In this Numerology telephone class, Jen will show you how to gather your own numbers, from your life path numbers to your current personal year and to many aspects of your personal numbers. Each number reveals certain personality tendencies and traits and each numeric vibration has a positive and negative energy that can be associated with them. Through knowledge and insight of your own numbers and the influence of those vibrations in your lives, you can find ways to overcome the negative blocks in your life.

Jen will also show you the cycles of your life and ways to harness the energy coming in the future. You will understand what cycle you are currently experiencing, the lesson you need to learn, and when the cycle will be shifting to a new vibration. In addition to personal numbers, we will be studying numbers of places, homes, phone numbers, events and loved ones. By the end of the three weeks, you will have a great foundation for showing others the secrets of numbers.

All you need to do is to show up! So, email or call me today to sign up (253-549-8627). Once enrolled, I will give you the long distance number and access code to call in for class. Participate and learn from the comfort of your home. These tele-classes are interactive and fun! Class size is kept at a minimum so there is opportunity to share and understand exactly what you need to learn. All you need is a phone and a phone headset for hands free. All classes will be recorded and available to listen to during the following week if desired. ***Stay open and available for Spirit to bring Heaven to Earth each day through you in amazing ways!***
